Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Thursday 25 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning colder with some wintry showers.

This Evening and Tonight:
Showery outbreaks of rain turn heavier in the evening and early in the night, with a band of heavier more persistent rain sweeping east late in the night. Strong winds.

Friday:
Rain clears east in the morning with sunny spells and showers to follow. Showers often heavy in the west, and turning wintry across high ground in increasingly cold air.

Outlook for Saturday to Monday:
A cold frosty start, a few wintry showers Saturday, but mostly dry. Some rain spreading east later. Breezy with rain or showers on Sunday and Monday, rain heaviest in west.
